Dear O.M,

Please accept my very best thanks for the photos of your station and also for your interesting letter.

I regret that we have no spare copies of the January Bulletin, but suggest that you write to W3AWH who will probably be able to lend you a copy.

I hope to publish a description of your station in the April issue.

With all good wishes.

Yours sincerely,

J. Clarricoats

Secretary, G6CL

P.S. Have just noticed that you were born in Nottingham I know the city well.
